AUTHORIZATION:

The undersigned states that he/she is the owner of the property or authorized agent for the owner of the project address.

1. This permit is granted on condition that all work is done according to the ordinances of the Village of Walton Hills, and all Building Code Laws of the State of Ohio and/or of the Village of Walton Hills and any restrictions. On failure to do so, this permit may be revoked and/or fines and penalties may be imposed.
2. This permit holder or his agent shall notify the Building Division 24 hours in advance for inspection, please call 440-399-0850 to schedule your inspection.

Applicant Signature: _____ Date: _____

NOTE: All permits are required to be inspected. It is the responsibility of the contractor or applicant to arrange and schedule all inspections with the property owner and the Building Department. Failure to do so is in violation of Village Ordinance.

Residential Heating and Cooling Permits. The minimum permit fee shall be one hundred dollars (\$100.00) for a permit to install HVAC equipment and duct work in a new building or an addition to an existing building or structure, to which shall be added three dollars (\$3.00) for each 100 square feet or fraction thereof of floor area. For buildings of more than one story, the floor area of each story shall be included in the calculation of the total. Breezeways, porches, garages and carports shall also be included. Unfinished basement areas shall not be included.

Alterations or replacements to existing heating and cooling system.
